"I understand certain road signs have been improved by a local Swanage resident called Rob Nunn and that this was funded by Corfe Castle Parish council. Could I please request that the road sign for Higher Gardens in Corfe (BH20 5ES) be considered for replacement in future. The present sign is in very poor condition and hardly visible. It may be a cause of danger as the poor visibility may cause persons looking for the road to break suddenly as it is only noticeable when you are almost upon the turning."
