

Introduction

Corfe Castle Parish Council believes that a fair, transparent and consistent pay policy which recognises, and rewards staff is a key element to continuous organisational improvement.

The Council actively promotes equal opportunities in employment and welcomes diversity within the workforce and ensures equality for all employees and operates a transparent pay system compliant with the Equality Act 2010.

Currently the Council has one employee which is the Clerk who also performs the role of Responsible Financial Officer. If the Council in the future employs additional members of staff this policy will be reviewed.

This policy sets out the framework for making decisions on employee pay. It will help to motivate an employee and provide the basis for sound financial and personnel planning and decrease the risk of grievance and discrimination.
