Planning Application

P/LBC/2022/04313

Old Dairy Cottage, Woolgarston Road, Corfe Castle BH20 5JD

Reinstate roof and remove modern flat ceiling to intermediate building, replace principal building A-frame roof trusses and weatherproof principal building southern end gable.

Comments Due:

This is a request for listed building consent at Old Dairy Cottage Woolgarston. The cottage is at present in a poor state of repair and this application proposes to make good the deficiencies. Structural engineers have inspected the cottage and have reported that the roof is unsafe. There is also considerable damp on one of the gables. A new roof with replacement trusses and damp proofing is proposed. The aim is to return the cottage to a fully habitable condition.

**Planning Working
Group Comments:**

No objection.
