Subject: Interest to apply for position of Parish Councillor

Dear Corfe Castle Parish Council,

I would like to register my interest for the position of Councillor that has recently become open within the Parish.

I was born in Corfe in 1994 and lived here for a number of years before moving abroad with my family. Although this was always our where our family was based and my Grandma remained here for a very long time. I moved back to Corfe in 2016 to work and settle in the area, as it was always the one place that felt like home. I have now lived at 17 East Street for over 5 years and would love to be a more active member of a village and community that I care very much about.

If you require any further information from me at this point please do not hesitate to get in contact. My mobile number is 07734081883.

With kind regards

Lottie Anstey
