## Corfe Castle Platinum Jubilee Committee

---

### Notes to date:

- Fundraising is underway - the aim is to fund a stone bench and a stone plaque for the oak tree, marquee hire, souvenir program, printing, flags etc., beacon repairs, games etc.
- The CCPJC has taken on the mug project from Michelle. The funding for this has been underwritten by a parishioner with the expectation to receive payback in full once the mugs have been sold. We have ordered 324 mugs (expect to give 110 - 150 to the children) and if the remainder sell well, we will order more.
- Public Liability Insurance is potentially taken care of for a small fee
- CCPJC hosted a public meeting to share ideas with the parishioners and take notes of any suggestions, those relevant to the CCPC include:
  - A member of the public requested free parking in West Street Car Park for the day of the picnic for parishioners. Perhaps Councillor Brookes may be able to assist?
-
