

Correspondence Report – Updated Monday, May 6, 2024

All recommendations in this report are made by the Clerk unless stated otherwise.

0524-12 Correspondence

To note and discuss any urgent item.

- a Hedgerow – 124 – 130 East Street
Correspondence was received asking if the Parish Council would consider asking the Caretaker to remove the old wooden fence which has callused and been replaced with a wire fence. Plus, to trim the verge growth to keep the pavement clear.

To note: a response was sent stating the verge is owned and maintained by Dorset Council. That a report has been submitted on their behalf on the Dorset Council portal, tracking number given.

Recommendation: To add this to the action log to monitor.

b. Car Parking Permit

A resident has emailed stating they have two cars, one is already parked in the resident's car park area, however the second vehicle is usually parked on West Street by their home. The resident appreciates they cannot park their car there during the busy tourist season and has requested they be allowed to apply for a short-term permit to cover the summer months or to have a discount on a second permit.

To note we also have a business who would be interested in reducing their permit to a seasonal permit only.

Recommendation: To discuss and agree a way forward.
