

# Corfe Castle Parish Council meeting

Monday 10<sup>th</sup> June 2024

---

**Peregrines at Corfe Castle and Springwatch** – The cameras are still in place and will be for roughly another 4 weeks. We have seen a great deal of interest in the development of the story of the peregrines and ravens. Springwatch will still be on air for the next 2 weeks.

**The Old Stable** – Work has now been completed and the repairs signed off by the buildings team, the Festivities Committee have been given the green light to commence using it again.

**Caring for Corfe Castle Conservation project** – Phase 1 is 99% complete with final evaluations and sign offs needed by the conservation team. We have received tenders for Phase 2 and 3 of the project and a decision of who we award the tender will be completed imminently. Commencement of work is likely to start in July / August running for roughly 16 months (if all goes well). We anticipate the works will have minimal impact on the visitor experience but we will need to be reactive as needed.

**The Rings** – This is subject to the grant consent and application being signed off by third parties. This project is 100% funded through grants and will involve the moving of the badger set and its proximity.
