NOTICEBOARD - APPENDIX

Motion from Cllr Clarke "That the Parish Council take over responsibility for the Information board in the Square"

The current notice board outside the Town House shows attractions, shops and services in the village centre and beyond and is well used by visitors. The current board was installed by the Town Trust and was based on a drawing by local resident and artist Ron Burniston. The Trust no longer wanted responsibility for it and the Chamber of Trade took it over and updated it. The Chamber of Trade has ceased to exist and the board will need updating sooner than later. The last chairman of the chamber has asked me to find a sponsor for the board. The Town Trust do not want it back.

Public Information is a core role of Parish Councils and the village needs an information board. The Parish Council is asked to take responsibility for it and update it when resources permit.
