It will take officer time to find and I am not sure that it will do anything for the situation?" 13-12-23 Email to Cherry "During the Monday meeting, the different reports published by DC were discussed and at several points throughout the discussion different Councillors stated it would be good to be able to read the reports. The main reason was some of the newer Councillors, wish to read it, so as to understand the history of the project plus see what routes were originally proposed." 13-12-23 Email from Cherry stating she will ask
0623-27	12/06/2023	Clerk		Corfe Castle Parish Council write to Dorset Council to propose that Dorset Council underwrite the cost of an accessible and chargeable minibus which would act as a shuttle between Purbeck Park, the National Trust carpark and the village centre to operate from summer 2024. However, it has become apparent that the 3rd party landowner opposes the preferred route and does not agree to Dorset Council acquiring the land for this path. For us to proceed from this point we need to do a lot of work investigating all other options and consider the most affective approach to securing a suitable route. Unfortunately, progress on schemes such as this are very unpredictable. I will provide a further update when investigation work has been completed and we hopefully have a clearer way forward. "

Clerks Report – Updated Tuesday, December 3, 2024

			(National Trust)		of the monthly council meeting. To initially clear over growth ready for re-build
			Woody Hyde		Update: A route was identified in 2020 and agreed in principle with Peake House (owners of field) and CCPC. In September 2020 Mark Singleton, Katie Black, the previous clerk & Michelle Harrington (as onlooker) walked the proposed route. The NT agreed to repair a gate at the bottom of the field, DC (Katie Black) agreed to install signage and CCPC agreed to pay for the installation of a new gate at the top of the field (installed by Katie Black and her team). The NT carried out the repair works with no issues. Katie Black and her team whilst installing the new gate was approached by people who claimed to be the tenants of the field, stating all work must stop. Peake House Business owners were not aware of anyone using their field and legal proceedings started after talks broke down. In 2022 the House was sold and the project was shelved, as it did not seem right that the PC ask the new home owners for permission to instate the new path, as they had a planning application going through and the PC are consultees. The Application was approved in early 2023. So talks can now take place. 23-06-23 Email sent to all interested parties asking for availability for meeting to discuss project. 5-7-23 meeting set for 21st July 2023. 12-07-23 Meeting postponed new email sent with more dates. 15-08-23 email received from Harry stating "we do feel quite strongly about the privacy of the property. The Working group were kept, and the issue is on-going. 11-07-24 Contractor contacted CCPC to offer free assessment of area, for fully funded EV charging point installation. Council approved assessment
